Hameln, Germany, August 2018.

When tradition suddenly extremely modern is, then it's a SUPERIOR 1035. The matt fibres in combination with subtly gleaming yarns exude an especially ingenious mix of yarns. Used in a traditional small-scale pattern, this combination lets SUPERIOR 1035 appear sometimes more, sometimes less blended depending on the hue.

SUPERIOR 1035, colour 3L51.

The modern cross-over-cut (COC) with a fine pattern stands out with an especially lively style, which is particularly robust against soiling and also very durable. Thanks to 20 different colours from the NATURE Design and CLASSIC Design style worlds, this carpet offers a wide selection for each area of use. Whether classic colours such as blue, wine red or green for hotels, grey and beige tones for a wide spectrum of spaces, stylish accents for lobby areas or multi-toned designs for the office – SUPERIOR 1035 offers everything.

SUPERIOR 1035 is available as broadloom in a width of 400 cm or as stable, bitumen and PVC-free acoustic tiles. In addition, this carpet has been awarded various labels – Green Label Plus, CE, Life Balance, DGNB and GUT – along with A+ for low room emissions (VOC).
